GLADIOLUS ROOTS.

Special attention is invited to this collection, which now includes over twenty thousand bulbs in foreign kinds and seedlings of my own producing.

Tip. Several splendid varieties, not in former lists, are expected by early spring arrivals from Europe. Orders for bulbs—with price enclosed—will be filled, and forwarded free of expense to the purchaser. Full printed directions for management accompany each parcel.

Please state the first efficient kinds may be sent, in case those ordered are exhausted; giving names of sorts not wanted, if any such are in this list.
